

DESERT RACE™

DESERT RACE

The youngsters' road race game. The player races a 4-wheel All Terrain Vehicle over a treacherous dirt road, running over flags for points while attempting to avoid cactus and other desert obstacles. If the ATV crashes into an obstacle, the child can hear the crash and watch as the vehicle crumples into a heap. The finish line is the player's goal on each level.

Each racing phase gets increasingly more difficult as the ATV goes much faster, and more obstacles dot the course. A "horn" button on the control panel allows the youngster to honk the ATV horn at will.

Desert Race™ is simple enough in the beginning levels to appeal to 4 and 5 years olds, yet competitive enough in the later levels for even a 12 year old player to enjoy.
